Marketing Trainee

(Temporary contract will be signed with an external Carlsberg Bulgaria's partner)

What you'll be doing:

- Actively participate in a variety of cross-functional projects and initiatives covering all facets of the business
- Preparing marketing proposals and presentations based on company needs
- Assist in monitoring active marketing programs
- Perform market analysis and research on the latest trends
- Measure and report the results of marketing initiatives
- Assist with daily administrative duties
- Support business closely with a variety of systems and tools

What we're looking for:

- University degree or final-year student in Marketing or relevant major
- Strong consumer and product awareness
- The ability to work on multiple projects simultaneously and meet strict deadlines
- Good attention to detail and accuracy
- Strong knowledge of Microsoft Office and excellent command of written and spoken English
- Flexible, well-organized, and proactive individual with strong communication and analytical skills

Interested?

For further information about the role please contact Carlsberg Bulgaria Human Resources team. The application deadline is **9th October 2022**. We read applications continuously and vacancies may be filled sooner than the deadline, so apply as early as possible. We look forward to receiving your application.
